

Registration

The Registration process for participants is simple and quick.

1. By clicking on the RSVP for Live Streaming button to the left of the obituary, the screen below will open up in a new tab.
2. Please fill in your email address and click Continue.
3. Our provider, Forget Me Not Ceremonies will send an email immediately for you to complete and confirm your registration. Please check all your inboxes for this email.
4. Your first and last name is all that is needed to complete the registration but must be done within 3 minutes of receiving the initial email.
5. Registration can be done days in advance or even 5 minutes before the memorial service begins.

Waiting Room & Service

Once registered, participants will wait in our virtual waiting room for the online service to begin.

While in the waiting room, participants may upload photos, sign the guest book (if offered) and view the program (if applicable) before the memorial service begins.

The system will provide a reminder email 10 minutes before (below) the memorial service begins. A quick access link is provided for only those registered within the email.

THE MEMORIAL SERVICE IS ABOUT TO START IN 10 MINUTES

Your service for NAME will be starting in 10 minutes.

PLEASE CLICK HERE TO GO TO THE SERVICE

Please remember to take the time to upload photos before/during the service so that everyone may view, as well as add them to a custom photobook in the Keepsake store. Also, sign the Guest Book/Share Stories and of course, consider contributing to the service.

Thank you.
