Explanation of Services

Professional & Staff Services Coordinating activities, rites, ceremonies

- Professional consultation with licensed personnel, including, but not limited to, expert advice on options to meet your needs.
- Coordination of all activities, rites and ceremonies, before, during and after they have been provided, including services and supplies provided by us, as well as those provided by third party suppliers, such as flowers and death notices.

Documentation - permits, forms, etc.

- Completion and filing of all documents necessary to carry out the services and supplies requested, including, but not limited to: death registration, burial permit, coroner's certificate for cremation, documentation necessary to ship the body out of the country
- Provision of fifteen (15) Proofs of Death issued by Northview Funeral Chapel (our proofs of death are usually accepted for most estate settlement purposes, but sometimes a provincial "Death Certificate" will be necessary and is available from the Office of the Registrar General)

Transport remains - initial or additional (within 25 km; additional fees apply beyond 25km)

- Transportation of the remains from one place to another, for example the hospital to the business, or the business to the cemetery or crematorium, a charge applies for each transportation request
 - Using an unmarked van
 - Using a funeral coach or hearse

Basic preparation of remains (requires Facilities for preparation/embalming/shelter)

- The preparation of the body for placement into the casket, may include bathing, dressing and the setting of facial features for identification or viewing without embalming.

Embalming of remains (requires Basic preparation of remains)

- Embalming is the restoration, disinfection and temporary preservation of a deceased person's body in order to be suitable for display in an open casket. Embalming is not legally required, but may be recommended to preserve the body between the time of death and the visitation or disposition of the deceased.

Partial/Basic Embalming (requires Facilities for preparation/embalming/shelter)

- Involves the use of embalming chemicals to treat the abdominal and thoracic cavities to delay the advance of decomposition. Does not address appearance issues and is done to ensure remains may be present for visiting/funeral service in a closed casket. Viewing is not permitted when partial embalming is authorized. Full arterial embalming is strongly recommended if remains are to be present for more than 72 hours before burial or cremation takes place.

Facilities for preparation/embalming/shelter

- Facilities used to prepare, embalm and shelter the body

Cremated Remains Refundable Deposit

- The funeral home may charge a \$350 refundable deposit until cremated remains are retrieved from the funeral home. Should the cremated remains not be picked up within one year, the funeral home may inter the cremated remains in a cemetery and retain the deposit referred to in this section.

Staff services for visitation

- Staff to coordinate and oversee the visitation (informal gathering) for the period specified in the contract.

Disbursements

When requested by the purchaser disbursements are items arranged for, and paid to, third-party suppliers on your behalf. In certain circumstances, you may be asked to pay for these items at the time the contract is entered into. The following are some items that are often identified as disbursements:

Coroner's fee - this is a fee charged by the coroner for issuing a certificate that allows cremation to take place. The fee is set by the Chief Coroner for Ontario.

Clergy Honorarium - this is an amount paid to the clergy for their services. In some cases the amount is set by the clergy; in others it is an amount determined by you.

Newspaper or radio notices - these are charges for death notices placed in newspapers or radio or other media outlets.

Municipal death registration fee - this is a fee charged by the local municipality to register the death. The fee is set by the municipality and may vary.

Payment, financing and funding

Payment

Unless otherwise specified, payment is due within 45 days of signing the contract. Payment may be made by cash, cheque, bank draft, debit or credit (Visa and Mastercard accepted).

Beyond 45 days, interest will be charged at a rate of 1 1/2% which is equivalent to 19.56% per annum (APR)

Funding

For your convenience, we offer two funding options when prepaying services and supplies. When prepaying, you pay for the services and supplies today and the money, along with the accrued interest, will be used to pay for the services and supplies when they are delivered at the time of death.

Trust: You pay the money directly to us and we will place it in trust, where it will accrue interest until the contract is fulfilled (when services and supplies are delivered) or the contract is cancelled.

Insurance: You may purchase an insurance contract where proceeds of the insurance contract will be used to pay for the services and supplies at the time they are delivered or the contract is cancelled.

*Our Accessible Customer Service Standard Policy is available upon request.

Unless otherwise identified, all applicable taxes will be added to the prices indicated.
