## **Explanation of Service Types**

**Traditional Funeral Service** is a funeral service which includes our full complement of staff, facility and vehicle fees to coordinate and carry out your wishes of having a casket (open or closed) visitation (maximum 4 hours), followed by a funeral service the same day or following day completed by procession or delivery to crematorium/cemetery.

For church/off-site services/visitation, facility charges will be deleted, equipment and additional staff services will apply.

**Memorial Service / Celebration of Life / Service of Remembrance** includes all required staff, facility and vehicle fees to carry out your wishes of having visitation the prior day or one hour preceding a service (no casket present) with an urn and/or flowers and photographs.

For church/off-site services/visitation, facility charges will be deleted, equipment and additional staff services will apply.

**Direct Disposition** is our basic service which includes minimal staff, facility and vehicle fees to carry out your wishes of having no visitation and no service with immediate delivery to cemetery or crematorium.

Fee set and charged by the local municipality to register the death.	
<b>Out of Town Registration</b>	<b>\$ 35.00</b>
Fee set and charged by the local municipality to register a death that took place in another municipality.	
<b>Bereavement Authority of Ontario (BAO) - Consumer Protection Fee (CPF)</b>	<b>\$ 30.00</b>
This fee is to provide BAO services of information on your options in bereavement services and to regulate the profession making sure the law is consistently followed. The BAO's regulatory work includes responding to public complaints, inspecting and providing guidance to bereavement businesses and professionals, which it licenses across Ontario to better serve you – the public. The BAO is wholly funded by licensee fees (not tax dollars)	

**Clergy Honorarium:** An amount paid to the clergy/officiant for their services and taking time out of their and the churches regular schedule. In some cases the amount is set by the clergy/church, in others it is an amount to be determined by you. (suggested honorariums can range from \$200-\$500)

*Additional Honorariums could include but not limited to: organist, caretaker, chanter, piper, alter servers, etc.*

**Newspaper or Radio Notices** – these are charges for death notices placed in newspapers or radio or other media outlets. Charges can be based upon a flat daily rate or by the line. **at cost**

**Hairdressing:** If the family chooses to have the services of a hairdresser they will assume all costs **\$95 (or cost)**

**Other disbursements** that may be made on behalf of the client are flowers, cemetery/crematorium charges, monument inscriptions or requests of the client and are solely the responsibility of the purchaser.

### **Ship Out Services Charge**

### **Refundable Deposit for Cremated Remains**

\$350.00

When human remains are to be cremated, a refundable deposit will be required to be paid. If the cremated remains are not claimed within one year of the cremation, the deposit may be used to inter the cremated remains in common ground. If the cremated remains are claimed before they are interred, the deposit will be refunded

### **PAYMENT and FUNDING**

We are proud to offer various payment, funding and financing options to our clients.

#### **Payment**

Unless otherwise specified, a deposit of 30% is required on funeral home charges and full payment of cash disbursements.

Full account payment is due within 30 days of signing the contract. Payment may be made by cash, cheque, bank draft, debit, credit (Visa, Mastercard, American Express) or e-transfer (if paying by credit card, a 2% surcharge will apply).

Beyond the allotted time, interest will be charged at a rate of 1.5%, which is equivalent to 19.56% per annum (APR).

#### **Funding**

For your convenience, we offer two funding options when prepaying services or supplies. When prepaying, you pay for the services and supplies today and the money along with the accrued interest will be used to pay for the services and supplies when they are delivered at the time of death.

• **Trust:** You may pay the money directly to us and we will place it "In Trust", where it will accrue interest until the contract is fulfilled (when the services and supplies are delivered) or refunded (in part) if the contract is cancelled.

• **Insurance:** You may purchase an annuity through an insurance provider that over time will grow tax free and the proceeds will be paid to the funeral home to pay for the services or supplies at the time they are delivered or refunded (in part) if the contract is cancelled.

Suggestions of where funds may come from are; personal accounts, life insurance, retirement funds, investments, sale of real estate or other items, work benefits and/or insurance and possibility of a lump sum payment from Canada Pension Plan (CPP Death Benefit – which is a maximum \$2,500). If there are concerns about finances there may be the availability of subsidies such as Last Post Fund or Social Services-Discretionary Benefits.

If there are any questions or inquiries about any of the above listed services, merchandise or information, please do not hesitate to contact us at your convenience. We will be happy to assist you.
